Common Chant  
arr. from L'vov/Bakhmetev

Tone 4

Soprano  
Alto

With the showers of the all-holy Spir - it, bedew my thoughts,

O all - pure one! You gave birth to Christ, the Dew - drop,

Who by His compassion washes away the innumerable sins of man-kind.

Dry up the spring of my pas - sions, // and by your supplications

grant me an abundant stream of the food of life!
