# HOLY TRINITY

EASTERN ORTHODOX NURSING & REHABILITATION CENTER

300 Barber Avenue, Worcester, Massachusetts 01606-2476

Tel: 508-852-1000 ♦ fax: 508-854-1622 ♦ [www.htnr.net](http://www.htnr.net)

*A ministry of love for the elderly and infirm . . . an unprecedented pan-Orthodox project.*

## Our Mission

**Holy Trinity is a nonprofit, community-based facility providing a broad range of skilled nursing and rehabilitation services while maintaining the highest standard of personal care for residents. Each person is treated with dignity and respect, keeping with the values and traditions of the Orthodox Christian Faith. This care is delivered by a well-trained staff, whose contribution provides an environment for residents that is compassionate and understanding.**

## Our History

**Holy Trinity Nursing and Rehabilitation Center has been realized through the joint effort of twelve Eastern Orthodox Christian Communities in Central Massachusetts. It is the fruit of over forty years of cooperation and fellowship among these communities, which share a common faith and represent different ethnicities and cultures. This achievement is unprecedented in the history of the Orthodox Faith in America.**

**In 1989, the Council of Eastern Orthodox Churches of Central Massachusetts identified the need to establish a facility to care for the elderly and infirm, and began to explore possibilities. Shortly thereafter the Eastern Orthodox Management Corporation was founded as an entity to represent the churches in this endeavor. Over the next five developmental years, this goal was pursued in earnest. In the summer of 1993, a groundbreaking ceremony was held at the Barber Avenue site, and construction began immediately. On August 15, 1994, Holy Trinity formally opened its doors, a 113-bed skilled nursing and rehabilitation center. This is a testament to the commitment of a community striving to serve others.**

## Our Future

**Holy Trinity looks forward to continue its tradition of delivering high quality healthcare in an environment of dignity and respect. We have recently celebrated our tenth anniversary and our reputation as one of the area's premier healthcare facilities continues to thrive. The dedicated staff has achieved accreditation from the Joint Commission on Accreditation of Health Care Organizations. The Family of Holy Trinity continues to rise to the challenges that modern health care poses. Our unified goal of quality care is directly tied to our rich history: "A Legacy of Faith...A Mission of Caring."**
