

St. Basil the Great

Archbishop of Caesarea in Cappadocia (362 A.D.)

Troparion

Serbian Chant
arr. P. Drobac

Tone 1

Your pro-cel-sation has gone out in-to all the earth
which was di-vine-ly taught by hear-ing your-voice. You ex-
pounded the na-ture of crea-tures, and
en-no-bled the man-ners of men. Ven-er-able
Fa-ther of roy-al priest-hood, en-treat Christ-God
that our souls may be saved.
