

BUILDING PROJECT UPDATE

--July 26, 2013--

Phase 1, which included important additions to our complex as well as indoor remodeling, began in June 2012 and came to a completion in May 2013. Included in this phase were:

- | | | | |
|--------------------------|---------------------------|----------------------------------|------------|
| New Multipurpose Room | New Hospitality Room | Expanded Gift Shop | New Garage |
| Remodeled Entrance Foyer | Increased Kitchen Storage | Two Handicap Restroom Facilities | |

During June and July of this year we have moved ahead with exterior improvements and additions which include:

- ❖ Main entrance stairs, as well as new handicap accessible sidewalks - all of colored and stamped concrete
- ❖ A plaza area for outdoor guest conversation and better traffic flow

- ❖ Painting of our entire building complex
- ❖ Portico canopies over entrance doors
- ❖ Blacktop driveway along our pavilion and up to our new garage
